I am now back in Western Australia and want to remind you that you have still not completed your obligation to me following the automobile accident of last March 29, 2011 at the intersection of Queenscliffe Road and Cobb Road in Doubleview. I trust that you remember that you promised to compensate me for the out-of-pocket expenses which I incurred as a result of that accident for which you accepted full responsibility.

Bayswater Car Rental charged me a deductible of AU\$300 as a result of the damage to the car. I therefore ask you yet again to reimburse me for that AU\$300 and mail it to the above address in Doubleview.

I trust we can conclude this matter as expeditiously as possible so that I do not have to take any further action. I am delivering this letter directly to your house in City Beach so that there is no unnecessary delay.

Information and visitor's guide

Below Peron Peninsula has exceptional coastal scenery and contrasting colours of dunes and ocean. It is an important habitat for the conservation of biodiversity, another criteria for gaining acceptance on the World Heritage List.

### Caring for the park

**Stay cool** Don't light fires. Free barbecues are available at most day visitor and camping areas and visitors may use their own gas appliances.

**Be clean** Put your litter in bins or take it with you. Discarded scraps attract feral animals, which threaten native animals.

**Pets** are not allowed in Francois Peron National Park. They can disturb wildlife and are also at risk of poisoning from fox baits which are laid throughout the park as part of DEC's Western Shield wildlife recovery program.

### Stay safe

**Coastal cliffs** are undercut and unstable and should be approached with caution. Be wary of crumbling edges and strong winds. Stay well back from cliff edges at all times.

**Shark Bay** is in sub-tropical waters and **venomous marine creatures** such as stonefish and coneshells are common. Reef sandals or similar footwear should be worn when walking in the shallows. If you are unlucky enough to be stung or bitten by these animals, keep the injured area immobilised and seek immediate medical attention. A Silver Chain nursing post is located in Denham at the corner of Hughes and Durlacher streets. The phone number is (08) 9948 1400.
